

List of Contractors Ineligible to Conduct EBMUD PSL Program Inspections

Contractors that fail to adhere to [Regional Private Sewer Lateral \(PSL\) Program procedures](#) may be suspended from scheduling PSL inspection appointments with the EBMUD PSL Program. EBMUD maintains this List of Contractors who are currently suspended for noncompliance with procedures.

Expectations for Contractor Conduct, include the following:

- Behave professionally
- Be truthful and accurate
- Follow PSL Program scheduling procedures, including submitting all required pre-inspection forms and documentation
- Do not schedule PSL inspections as placeholders

The contractor(s) listed below have been deemed ineligible to conduct PSL Program inspections only after undergoing the District's progressive corrective process to address infractions and/or repeated violations. The District has worked with these contractor(s) over an extended period to resolve the identified issues. All contractor(s) are held to consistent standards to help ensure a high level of professional service for our ratepayers and to keep the PSL Program functioning efficiently.
