

## Multilateral Pre-Inspection Form

Submit this completed form to EBMUD to request an inspection for properties with multiple sewer laterals. As required in The Contractor Guidelines, for parcels with more than one lateral, the contractor must provide a map showing all laterals, private mains, and private manholes of the parcel or parcel group to EBMUD prior to scheduling. Scheduling an appointment using the [www.eastbaypsl.com website](http://www.eastbaypsl.com) or failure to provide a complete map prior to scheduling will subject the property owners to **enforcement action such as appointment cancellation.**

- Complete this form. Submit with map to [psl@ebmud.com](mailto:psl@ebmud.com) at least 2 weeks prior to desired appointment date.
- Allow 2 weeks for EBMUD staff review.
- Once you receive written approval from EBMUD staff, call (510) 287-1599 to schedule an inspection.
- This Pre-Inspection form is required for each appointment, even for multiple inspections in the same parcel.
- **NO INSPECTION WILL BE PERFORMED UNLESS THIS FORM AND MAP ARE REVIEWED BY STAFF, AND YOU RECEIVE APPROVAL TO SCHEDULE INSPECTION.**
